

TECHNICAL PRODUCT DATA SHEET

TECHNICAL DETAILS

WEIGHT/ROLL 78 lbs. (35.4 kg)

COVERAGE 1 square

WIDTH 39³/₈" (1 m)

LENGTH 33' (10.1 m)

TOTAL AREA PER ROLL 108.3 ft² (10.1 m²)

THICKNESS
105 mils (nominal)

LAY LINE 2" (51 mm)

GRANULE ADHESION 0.45 q (typical results)

ROLLS/PALLET 30

TEST COMPLIANCE

ASTM D3909 ASTM D4869 ASTM D6757 CCRR-0333

ASTM E108 CLASS A FIRE RATING

FEATURES & BENEFITS

- Made with SBS polymer modified asphalt
- Versatile use as a cap sheet in a single layer or BUR system, and as steep slope underlayment for tile roofing
- · Available in colors to match shingles

COMPATIBLE ADHESIVES

MODIFIED ASPHALT SOLVENT FREE
COLD ADHESIVES HOT ASPHALT

SBS Polymer Modified Granule-Surfaced Fiberglass Cap Sheet

PRODUCT USE

The 350 Paragon® CHROMA Cap is a fire-rated (FR) cap sheet manufactured to meet the needs of a high quality built-up roofing system, as a single layer roll roofing install, or as clay and concrete tile underlayment. Paragon® CHROMA Cap can be mechanically fastened or applied with hot mopping asphalt or cold process adhesives. Approved for use on all fire-rated built-up roofs. Consult Malarkey's Technical Services Department for approval of roof systems when used as a cap sheet in a BUR system. Installed as a stand-alone sheet, Paragon® CHROMA Cap has a Class C fire rating.

COMPOSITION & MATERIALS

Paragon® CHROMA Cap is manufactured on a non-woven fiberglass mat, uniformly impregnated and coated on both sides with SBS polymer modified bitumen (asphalt) compounded with a fire-retardant mineral stabilizer, and surfaced with ceramic granules for ultraviolet protection and weatherability.

APPLICATION/INSTALLATION

Paragon® CHROMA Cap shall be applied as specified. Roof decks should be sound, dry, smooth, meet necessary local requirements, and provide positive drainage. Do not apply wet membrane sheets. See Malarkey's Specification Manual for specific installation instructions, or contact our Technical Services Department for details.

STORAGE & HANDLING

For best results, Malarkey recommends Paragon® CHROMA Cap be protected from the weather and stored on end in a cool, dry, well-ventilated area until applied.

WARRANTY

Malarkey Roofing Products® offers various warranties to meet specific requirements. The warranty package for Paragon® CHROMA Cap includes 10, 15, and 20-year limited and unlimited coverage. Contact your roofer, local distribution center or Malarkey for full details. See below for TECHNICAL ASSISTANCE contact information.

Paragon® CHROMA Cap and other Malarkey products are available throughout North America and Pacific Rim countries.
